ANNEX G (Support) GENERAL PLAN—COLD WAR**SECTION TRAINING SUPPORT****1. Objective:**

The training objective of the General Plan—Cold War is to ensure that Agency personnel will be adequately trained to accomplish the specific operational objectives of the Plan, to which they are assigned, before they are committed to carry them out.

2. Training Support Annex:

a. The basic planning instrument to be developed for the purpose of meeting the training objectives of the General Plan—Cold War is the Training Support Annex.

b. Training Support Annexes will be prepared for each Country Appendix and such other operational programs as may be developed within the framework of the General Plan—Cold War.

c. Training Support Annexes will:

(1) establish the training requirements which must be met in order to accomplish the operational objectives of each Country Appendix or other operational program

(2) provide for the scheduling of training and related support activities, including the scheduling of personnel into training, in accordance with the planning and operational timetables.

(3) identify the limiting factors which affect the capacity of the Agency to fulfill the training support requirements of the plan in accordance with the planning and operational timetables.

3. Responsibilities:

a. Senior Staff and Division Chiefs, DD/P, are responsible for establishing training requirements and for the development of schedules for the processing of personnel into training, in accordance with specifications as to format and guidance as to method provided by the Director of Training.

b. The DD/S has directed the Director of Training to develop the Training Support Annex to each Country Appendix and other operational programs on the basis of training requirements and schedules provided him by DD/P.
